Selection of Urns & Caskets

www.williamsonbrothers.co.uk

The Woodland & Sunflower

The Woodland and Sunflower are biodegradable scatter tubes that easily allows the scattering of the ashes through a perforated disc at the top of the tube.

These designs enable a discreet way of transporting the ashes to their resting place.

Available in a range of sizes to assist with scattering in multiple locations, if desired. Alternatively a small tube can be used as a keepsake.

A bespoke design can be arranged if preferred (at an additional cost).

From £5 - £25

Bronze Urn

The Bronze Urn is a secure aluminium urn, finished in a metallic brown bronze.

Due to its traditional design it is well-suited for keeping ashes at home. However, with a quarter turn lid, it can also be used to allow for the scattering of ashes.

£40

Ruby & Sapphire

The Ruby and Sapphire urns are of a simple, contemporary design.

Their aluminium construction and secure, sealed lid are ideal for keeping a loved one's ashes close at home.

With a high gloss finish, they are available in ruby red or sapphire blue and come complete with a velvet bag.

£55

Golden Heart

These Golden Heart urns are a stylish, ceramic urn.

Its modern design features are focused around a golden-coloured heart nestled in the centre, surrounded by a matt grey finish.

This creates an ornamental centrepiece which is discreetly an urn, with your loved one's ashes safely secured by the sealed base.

The Golden Heart comes complete with a purpose-made velvet bag.

£95

Tealight Urn

The Tealight Urn is a modern, elegant urn which has a more ornamental feel to it.

Its smooth, sweeping design features a recessed tealight candle holder in the centre - perfect for lighting to remember treasured memories on special occasions.

Constructed from durable fibreglass, this sealed urn is best suited to keeping your loved one's ashes close to you at home.

With a gloss finish, the Tealight Urn is available in either black and gold, or silver and white and comes complete with a satin bag.

£105

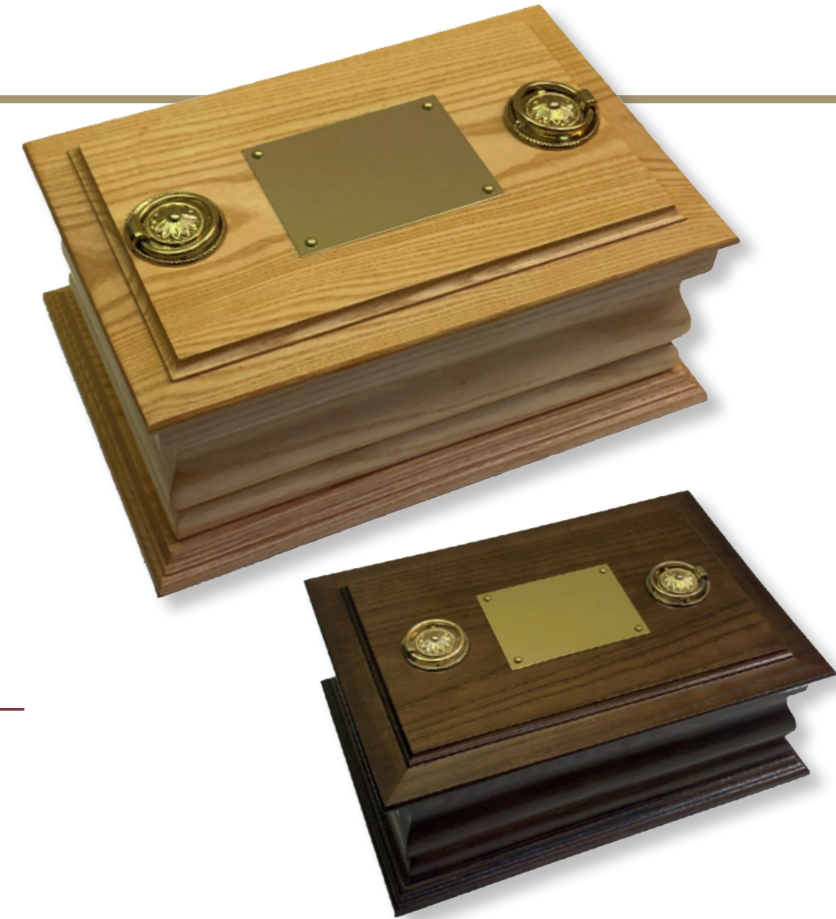

Casket

A wooden casket is traditionally used when an interment is to take place in a churchyard or cemetery.

However, they are also suitable for keeping ashes secure at home.

Available in either a natural or dark oak finish, every casket is furnished with an engraved name plate and associated furniture.

£90

FramePod

A FramePod™ is a stylish and innovative ashes container attached to a photo frame, to create a discreet memorial alongside a photograph of treasured memories.

The frame - which is available in black, silver or natural oak - can be positioned either portrait or landscape due to the strong but easy-to-use magnetic system that holds the frame and pod together.

Each FramePod is individually packaged in a presentation box and comes complete with a satin bag.

Selection of Keepsakes & Jewellery

www.williamsonbrothers.co.uk

Tribute Heart

The Tribute Heart is a small, wooden keepsake, beautifully carved from natural oak.

With a secure, discreet section behind the photo for keeping a small amount of ashes, it is the perfect size to hold in the palm of your hand to keep a comforting reminder of your loved one close to you.

In addition to a photograph or small memento, the keepsake heart can be personalised further with engraving of names, motifs, messages or dates.

The Tribute Heart comes complete with a velvet pouch to keep it safe.

£55

Eternity Candle

The Eternity Candle is a bespoke candle holder, which can be personalised to create a truly unique memorial keepsake.

The solid oak hardwood cube holds a single tealight candle. Below this is a hidden recess containing a small glass jar which can hold a token quantity of ashes, or a small memento.

The Eternity Candle can be engraved with names, motifs, messages or dates on up to four sides.

From £38

Memory Bear

The Memory Bear is a huggable teddy bear keepsake that allows you to hold precious memories close to you.

This classic bear (approx. 43cm tall) has velvety, light brown fur, black button eyes and a brown nose and mouth.

There is a specially designed zipped compartment in the teddy's back which contains a soft pouch for storing ashes, or other much-loved keepsakes.

Each bear comes complete with a drawstring bag.

£45

Crystal Heart & Butterfly

The Crystal Heart and Crystal Butterfly are stylish, ornamental keepsakes that are ideal for keeping a very small amount of ashes, or a lock of hair, at home.

Within the centre of each is a discreet ashes capsule, which is available in a choice of silver plated or gold plated.

The Crystal Heart and Crystal Butterfly both come complete with a presentation box.

Jewellery

Working in partnership with Ashes into Glass, leading supplier of ashes jewellery, we offer a range of unique memorial jewellery to wear and keep loved ones close.

Lovingly created, each item of jewellery or paperweight contains a small amount of your loved one's ashes that is placed into the crystal, resulting in a beautiful and long-lasting tribute. Their products are available in a variety of beautiful colours and designs and many of the items can be personalised.

Each item is gift wrapped and presented to you complete with its own certificate of authenticity.

If you require more information on this range, please ask us.

Crystal Tealight

The Crystal Tealight is a decorative tealight holder which is adorned with Swarovski crystal elements.

Below the candle, within the glass base, sits a discreet compartment which contains a very small amount of ashes.

The Crystal Tealight is available in either a silver or gold finish edge and the crystal elements are available in a range of colours, as shown.
